GENERAL DEBILITY and Indigestion

Made Her Life Miserable, but She is
Cured by

Ayer's Sarsaparilla

Read the testimony of Mrs. E. G.
Monro, Coburg, Victoria, whose por-
trait is also given:

"Some few years ago I suffered
terribly with indigestion and gen-
eral debility. I could not sleep,
and my condition was such as to
make my life miserable. None of
the many remedies I tried did me
any good, and I despaired of ever
getting better. One of my friends
told me of the blood-purifying and
strength-giving properties of Ayer's
Sarsaparilla, and I began taking it.
Before I had finished the first bottle
I felt better, and was thus encour-
aged to give the medicine a thorough
trial. In all I used four bottles,
and then was perfectly cured of the
grievous trouble which had afflicted
me. I now recommend, to anyone
suffering as I did,

LEGISLATURE IN SESSION

THE CALIFORNIA WINE BILL PASSED THE SENATE.

The House of Representatives Makes
a Start on the General Ap-
propriation Bill.

EIGHTY-FIFTH DAY, MAY 27TH.

HOUSE OF REPRESENTATIVES.

At yesterday afternoon's session
Rep. Bond introduced a bill to
increase the duty on sake and
wines made from grape juice. He
acted in this matter on the con-
clusions of the majority of the
Liquor Commission.

The following appropriations
were made in the loan bill:

Court house at Kipahulu, \$1000.
Honolulu fire stations, \$30,000.
Wharf at Waiakae, Hilo, \$50,-
000, increased from \$30,000.
Puna roads, \$25,000.
Cross roads to Volcano road,
\$2500.
Roads in Waiman and Kohala,
\$10,000.
Homestead roads in Kau, \$4,-
000.
Encouragement of immigration,
\$50,000.

Minister Cooper announced the
policy of the Government to be
the introduction of Portuguese or
other European families, which
could be effected at a cost of \$135
for each family. At the expira-
tion of their labor contracts it
was expected these immigrants
would become useful settlers.

The bill to provide for condem-
nation of lands deleterious to public
health, if their owners neglect to
improve them, passed.

The bill creating the Depart-
ment of Public Instruction, passed.

Adjourned at 4:50.

There were several empty seats
in the House this morning.

Rep. Rycroft presented a report
of the public lands committee, on
petition from Puna for \$15,000 for
a road, recommending that it be
granted. Tabled for considera-
tion with appropriation bill.

The Senate bill relating to ports
of entry passed third reading.

The bill relating to appeals
passed second reading.

The bill to provide for keeping
records of births, deaths and mar-
riages, on second reading, was
considered section by section in
committee of the whole, Rep. Ha-
nuna in the chair. On motion of
Rep. Kamaooha, the committee
rose and reported, recommending
the passage of the bill. Adopted,
and bill ordered read a third time
when reported as typewritten.

Rep. Kamaooha moved to take
up the appropriation bill for cur-
rent receipts. Carried.

The new item, "Road from Pa-
ho to head of Rycroft's road,
\$15,000," was read by the secre-
tary.

Rep. Rycroft moved a suspen-
sion of the rules, to have the bill
read a first time by title, and then
to consider it item by item on sec-
ond reading. Carried.

Rep. Richards moved to insert,
"Pay of Portuguese interpreter
for January, February and March,
1896, \$225." Carried.

Minister Cooper moved to in-
sert, "Suppression of rebellion,
\$100," explaining that it was to
pay a printing bill in connection
with the insurrection of 1895.
Carried.

Minister Cooper, on the mili-
tary items, said the Auditor-Gen-
eral had informed him that he
could only draw pro rata monthly
on the \$36,000 for the commis-
ariat. This put him in an awk-
ward position.

Minister Damon interjected that
such a ruling was not supported
by anything in the bill. The pro
rata payments only applied to
salaries and pay rolls. It would
be impossible to apply the rule to
other expenditures. For instance,
if a bridge was built it might re-
quire the payment of a whole ap-
propriation at once.

It being 12 o'clock recess was
taken until 1:30, Speaker Naone
reminding members that this did
not mean 2 o'clock.

EIGHTY-FIFTH DAY, MAY 27TH.

THE SENATE.

After the usual preliminaries a
communication was read from the
House transmitting two bills
which had passed.

Senator Lyman reported that
joint resolution 14, relating to
postage stamps, had been present-
ed to the President for his signa-
ture.

Senator Baldwin from the Com-
mittee on Commerce reported
back the bill admitting California
wines duty free without further
recommendation.

House Bill 12, an Act to pro-
vide for the improvement of land
deleterious to public health, was
taken up on first reading and
passed. Under suspension of the
rules the bill was read a second
time by title and referred to the
Committee on Public Lands.

House Bill 47, to create the De-
partment of Public Instruction
and define its duties and powers,
was read the first time and passed.
Under suspension of the rules the
bill was read a second time by
title and referred to the Com-
mittee on Education.

On motion Senator Brown was
excused from acting on the In-
come Tax bill and Senator Bal-
win appointed in his place.

On motion Senator Waterhouse
was substituted for Senator Brown
on the Conference Committee on
the Internal Taxes bill.

Senate Bill 48, relating to the
importation of California wines,
was taken up on second reading,
with the report of the Committee
on Commerce.

Senator Baldwin said he had
asked to have the bill sent back
to the committee with the idea of
embodying in it some legislation
regarding sake and other deleter-
ious drinks. They had found
great difficulty in doing so, and
the only way would be to directly
attack sake. To do this would
involve the government in possible
trouble with Japan. They favored
the bill as it was carrying out the
idea embodied in the present law,
which raised the duty on strong
alcoholic liquors and lowered it
on weak ones. The only trouble
he saw was in the consequent loss
of revenue. However, he should
favor the passage of the bill.

Senator Lyman said the Senate
should remember that the Liquor
Commission had reported three
bills which covered the entire
question. This bill should be
considered in connection with the
others.

Senator Schmidt said the pres-
ent bill had nothing to do with
any of the others. The sake and
beer issues should not be dragged
into the present discussion.

Senator Rice suggested that as
the matter was in the nature of
an experiment, the time of the
free importation might be reduced
to two years instead of five.

Senator Holstein said the bill
would work a hardship to Hawai-
ian wine-makers, who under the
present law have to pay storage
and other charges, which import-
ers of California wines escape.

Senator Baldwin said there had
been laws on the statute book for
years to benefit the Hawaiian
wine makers, but they did not
seem to have prospered to any ex-
tent. The reason was they were
too near to the California market
where a better article could be
produced at a lower cost.

On motion the bill passed the
second reading without a dissent-
ing vote, and was made the special
order of the day for Friday on
final passage.

At 11:15 the Senate completed
all the business on the table and
adjourned.

means of a forged draft. He is

by Governor Morton and Sec-
retary of State Olney, were pre-
sented there. No reason is given
for the refusal.

French capitalists have bought
up the bulk of Cuban bonds, the
amount being upward of \$27,000,-
000. The object of French buyers
in seeking control of the Cuban
debt is said to be to obtain from
Spain direct intervention in the
Cuban Treasury Department,
placing a representative of their
syndicate in every custom-house
on the island to see that these be
honestly administered and thus
insure the prompt payment of the
interest on the debt.

Cubans mistrust General Wey-

The attention of the State Depart-

rected to the publication in certain

reconciliation with the Armenians.

A. W. Terrill, U. S. Minister to
Turkey, now home on leave of
absence, is formally charged by the
American missionaries in Turkey
with unbecoming conduct and in-
capacity for his position. He is
accused of low and gross habits,
of using profane and vulgar
language, and of blustering, dom-
ineering manners, which are
said to be exceedingly offensive to
the Turkish officials and to all
who have been at the Legation.

THE DARK CONTINENT.

The remainder of the Italian
prisoners in Tigre territory have
been handed over to General
Baldissara's forces.

More defeats of the Matabeles

says: The executive council to-
day decided that the punishment
of Colonel Francis Rhodes, Lionel
Phillips, George Farrar and
John Hays Hammond, the leaders
of the reformers, who were sen-
tenced to death, shall be fifteen
years imprisonment. The hope
is entertained that the sentences
will be modified. The decision of
the sentences of the other re-
formers is still awaited.

A later dispatch says the sen-
tences are as yet undecided.

In an editorial the London
Times says the severity of the sen-
tences will cause a painful sur-
prise, and the ending will be to
perpetuate political strife.

It is likely that the motion in
the Cape Parliament to revoke the
charter of the British South Afri-
